Issue of EUR18,000,000 Notes due 2011 linked to a Basket of Shares
under the €12,000,000,000
Euro Medium Term Note Programme

PART A - CONTRACTUAL TERMS

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth in the Base Prospectus dated 31st August, 2006 which constitutes a base prospectus for the purposes of the Prospectus Directive (Directive 2003/71/EC) (the "*Prospectus Directive*"). This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Base Prospectus. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Base Prospectus. The Base Prospectus is available for viewing at the office of the Issuer at Borgartun 19, 105 Reykjavik, Iceland and on the Luxembourg Stock Exchange's website (www.bourse.lu) and copies may be obtained from the Principal Paying Agent at Winchester House, 1 Great Winchester Street, London EC2N 2DB.

The purchase of Notes involves substantial risks and is suitable only for investors who have the knowledge and experience in financial and business matters necessary to enable them to evaluate the risks and the merits of an investment in the Notes. Before making an investment decision, prospective purchasers of Notes should ensure that they understand the nature of the Notes and the extent of their exposure to risks and that they consider carefully, in light of their own financial circumstances, financial condition and investment objectives, all the information set forth in the Base Prospectus (including "Risk Factors" on pages 9 to 22 of the Base Prospectus) and these Final Terms.

The Final Redemption Amount payable in respect of the Notes is linked to the performance of the Shares in the Basket. Investors should note that the Notes differ from ordinary debt securities issued by the Issuer under the Programme in that the return on the Notes is dependent on the performance of the Shares in the Basket and in certain circumstances investors may receive an amount on redemption of the Notes no greater than EUR50,000 per Note. Investors should form their own views on the merits of an investment related to the Shares in the Basket based upon their own investigation in respect of the Shares in the Basket.

"**Disrupted Day**" means any Scheduled Trading Day on which a relevant Exchange or any Related Exchange fails to open for trading during its regular trading session or on which a Market Disruption

Event has occurred. The Calculation Agent shall as soon as reasonably practicable notify the Issuer and the Agent of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been an Observation Date. Failure by the Calculation Agent to notify the Issuer and the Agent of the occurrence of a Disrupted Day shall not affect the validity of the occurrence and effect of such Disrupted Day.

which in either case the Calculation Agent determines is material; or

- (ii) the closure on any Exchange Business Day of any relevant Exchange(s) or Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to (a) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or if earlier (b) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

In that case, (i) that eighth Scheduled Trading Day shall be deemed to be the relevant Observation Date for the Affected Share, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the relevant Closing Price using, in relation to the Affected Share, its good faith estimate of the value for the Affected Share as of the Valuation Time on that eighth Scheduled Trading Day and otherwise in accordance with the above provisions.

- (vii) any other event that has or may have, in the opinion of the Calculation Agent, a diluting, concentrative or other effect on the theoretical value of the relevant Shares.

2. ADJUSTMENTS FOR POTENTIAL ADJUSTMENT EVENTS

- (a) Following the declaration by a Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will (i) make the corresponding adjustment, if any, to any one or more of the terms of the Conditions and/or these Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share) and (ii) determine the effective date of that adjustment. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange.
- (b) Upon making any such adjustment, the Calculation Agent shall as soon as practicable give notice to the Noteholders in accordance with Condition 14, stating the adjustment to any of the terms of the Conditions and/or these Final Terms and giving brief details of the Potential Adjustment Event.

3. DE-LISTING, MERGER EVENT, NATIONALISATION, INSOLVENCY, TENDER OFFER AND ADJUSTMENTS IN RESPECT OF SHARES QUOTED IN EUROPEAN CURRENCIES

- (a) If a De-listing, Merger Event, Nationalisation, Insolvency or Tender Offer occurs, in each case, in relation to a Share, the Issuer in its sole and absolute discretion may:
 - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the terms of the Conditions and/or these Final Terms to account for the De-listing, Merger Event, Nationalisation, Insolvency or Tender Offer, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may in the case of adjustments following a Merger Event or Tender Offer include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares; or
 - (ii) give notice to the Noteholders in accordance with Condition 14 and redeem all, but not some only, of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount.

If the provisions of this paragraph 3(a)(i) apply the Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation, Insolvency or Tender Offer, as the case may be, made by an options exchange to options on the Shares traded on that options exchange.

Upon the occurrence (if applicable) of a De-listing, Merger Event, Nationalisation, Insolvency or Tender Offer, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 14 stating the occurrence of the De-listing, Merger Event, Nationalisation, Insolvency or Tender Offer, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

- (b) Where Shares were originally quoted, listed and/or dealt as of the Trade Date in a currency of a member state of the European Union that has not adopted the single currency in accordance with the Treaty establishing the European Community, as amended, if such Shares are at any time after the Trade Date quoted, listed and/or dealt exclusively in euro on the relevant Exchange, then the Calculation Agent will adjust any one or more of the terms of the Conditions and/or these Final Terms as the Calculation Agent determines in its sole and absolute discretion to be appropriate to preserve the economic terms of the Notes. The Calculation Agent will make any conversion necessary for the purposes of any such adjustment as of the Valuation Time at an appropriate mid-market spot rate of exchange determined by the Calculation Agent prevailing as of the Valuation Time. No adjustments under this paragraph 3(b) will affect the currency denomination of any payments in respect of the Notes.

4. ADDITIONAL DISRUPTION EVENTS

If an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may take the action described in (a) or (b) below:

- (a) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the terms of the Conditions to account for the Additional Disruption Event and determine the effective date of that adjustment; or
- (b) give notice to the Noteholders in accordance with Condition 14 and redeem all, but not some only, of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount.

Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 14 stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto.

"Hedging Disruption" means that the Hedging Party is unable, after using commercially reasonable efforts, to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer

issuing and performing its obligations with respect to the Notes, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

"Hedging Party" means Deutsche Bank AG, London Branch.

"Hedging Shares" means the number of Shares that the Hedging Party deems necessary to hedge the equity or other price risk of the Issuer entering into and performing its obligations with respect to the Notes.

"Insolvency Filing" means that a Share Company institutes or has instituted against it by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organisation or the jurisdiction of its head or home office, or it consents to a proceeding seeking a judgement of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official or it consents to such a petition, provided that proceedings instituted or petitions presented by creditors and not consented to by the Share Company shall not be deemed an Insolvency Filing.

5. CORRECTIONS TO PUBLISHED LEVELS

For the purposes of determining the Final Redemption Amount, if the level published or announced on any Observation Date and used by the Calculation Agent to determine the Final Redemption Amount is subsequently corrected and the correction is published on or prior to the Maturity Date, the Calculation Agent will use such corrected level to determine the Final Redemption Amount.

6. CALCULATION AGENT

All determinations and calculations of the Calculation Agent made under the Notes shall be made in its sole and absolute discretion and shall be binding on the Noteholders in absence of manifest error. The Noteholders shall (in the absence of manifest error as aforesaid) not be entitled to proceed against the Calculation Agent in connection with the exercise or non-exercise by it of its obligations, duties and discretions pursuant to the Notes.
